A. Barragan, Stockholm, Sweden
G. Christophides, London, U.K
E. Levashina, Strasbourg, France
G. Milon, Paris, France
S. Shorte, Paris, France
I. Tardieux, Paris, France
A. Trautmann, Paris, France
A. Waters, Leiden, Netherlands

Program

Workshop on 27, 28 May 2008 ■

Practical course on the use of conventional and high-end imaging technology to follow parasite infection in vivo

Symposium on 29 May 2008 ■

Imaging parasite infection

Scientific Committee & organisers

Robert Menard ■
Rogério Amino ■
Spencer Shorte ■
Samantha Blazquez ■
Olivier Renaud ■
Artur Scherf ■

Organising Institute

INSTITUT PASTEUR

<http://www.biomalpar.org/>

Application Information

The workshop is limited to 12 students only.

Please fill in the application form available at <http://www.biomalpar.org/> and join a short C.V.

Applications should be submitted to BMPoffice@pasteur.fr by 21st April 2008.

IMAGOPOLE

Pôle de Dynamique Moléculaire et Fonctionnelle

Plate-forme de Cytométrie en Flux
Plate-forme d'Imagerie Dynamique
Plate-forme de Microscopie Ultrastructurale
